USA Passover and FUB Photos

It was truly a blessed Passover and Feast of Unleavened Bread this year. We are all thankful to meet together in Spirit and in truth of Yahweh's Word. We now look forward to Pentecost, one of the last Feasts to already have been prophetically fulfilled in Messiah Yahshua.

We invite everyone to go online (yaiy.org) and check out more photos of Yahweh's people from around the world who are faithfully serving Yahweh and Yahshua the way They tell us to. It prepares us for the wedding Feast to come. Come Yahshua, come! The world needs You to establish the Father's Kingdom.

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also. “

— Matthew 6:19-21 ESV

“Who is my mother, and who are my brothers?” And stretching out his hand toward his disciples, he said, “Here are my mother and my brothers! For whoever does the will of my Father in heaven is my brother and sister and mother.”

— Matthew 12:48-50 ESV

The Savior's Name

One of the most requested DVDs of recent has been the message of "The Savior's Name." Many are waking up to the fact that the Messiah's Name originally spoken by the disciples was indeed of the Semitic tongue, and attuned closely to "Yeshua" with the correction of the shortened poetic form of "Yah" included rather than the "Yeh" being pronounced.

יהושוע

יהושע

ישוע

The confusion has come about with the vowel pointing of Pharisical men in the past. The tradition continues by many well meaning scholars today who just don't want to upset the apple-cart. Some will readily admit that the Savior's Name holds the meaning of "Yahweh is Salva-

tion," but will write or say either "Jesus" or "Yeshua" keeping with the tradition. While the letters found in the Semitic New Testament for the Savior are correctly expressed as "Y'shua," we understand that phonetically it was pronounced as "Yahshua" by the disciples of the Messiah's day without the vowel pointing.

The DVD of this message is recommended because of the visual charts included. We encourage you to order yours or to view the high quality video of the message online today.

Lunar Babylonian Weeks

"The binding of Israel's observance to a mathematical calculation, every seventh day, rather than to observance of lunar phases helped to exclude worship of heavenly bodies as deities...In Babylonia every seventh day was regarded as an inauspicious day, but Israel's Sabbath was not so regarded; rather, it was a day of rest and religious assembly."

-- **The Eerdmans Bible dictionary** (page 897).

"Although one can show similarities to the Babylonian concept, the Hebrew Sabbath did not follow a lunar cycle. It was celebrated every seven days and became basic to the recognition and worship of the [Elohim] of creation and redemption."

-- **Holman Illustrated Bible Dictionary** (page 1425-1426).

"This unit of time, consisting of seven days, accords ap-proximately with the moon's orbit. But as the week does not necessarily begin on the day of the new moon, it is not affected by inconsistencies in relation to the positions of the moon during the month. In contrast to this the Babylonian and Assyrian week began on the first day of the month. The week of seven days was thus completely independent of the month..."

--**The Archaeological Encyclopedia of the Holy Land** (3rd ed.)
