European Fund Update

For the European Fund, figuring on one month traveling though the European countries for two elders, we find the following will need to be paid for:

- Roundtrip airfare for two from and to the United States, initially to Spain (\$1250).
- Car rental or taxi service for local traveling (\$1500).
- Two Euro passes for traveling between countries (\$600).
- Hotel accommodations at each location traveled to (\$4500).
- Food and other minor traveling expenses (\$2400).
- Round trip airfare, or, alternatively, a ferry boat from Italy to Malta (\$400).
- Overall advertizing campaign for the Europe countries before arrival. Individualized local advertizing, along with reserving meeting halls, for small community seminar meetings at each traveled destination (\$5,000).

While the above (total \$15,850) is an approximation of cost, it is understood that there may be unforeseen expenses which would add to the total estimation. On the other hand, we may be able to stay and travel locally with many of those which we visit; therefore, cutting the overall cost substantially.

For those able to donate from overseas, the necessary wire transfer information for our Bank of America account is as follows:

Strong Storms at YAIY

The Assembly property had some strong storms which went through and knocked down one of the larger trees, basically splitting it in half. It gave us the opportunity to do some clearing of older dead trees which were still standing. With about 8 trees removed and a little mulch (about 25 yards) for the remaining ones, it all turned out pretty good. Praise Yahweh we didn't have any other damage from the storms.
