

YAIY NEWS

For this is the message that ye heard from the beginning, that we should love one another.
—1 John 3:11

Welcome...Welcome!

As you enter into the building of *Yahweh's Assembly in Yahshua* at Kingdom City, Missouri, you will see two doormats, both with the word "Welcome" on them. We do hope that you will, given the opportunity, come and visit us as we move forward worshipping Yahweh in Spirit and in Truth.

Passover is just around the corner and the Days of Unleavened Bread are sure to bring happiness as we learn to keep ourselves clean from impure doctrines or anything that puffs up.

We are a small flock, indeed, please keep us in prayer as we do you. Make sure your "Welcome" mats are also at your front door.

Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law.
—Rom 13:8

Press Maintenance Done

You may have noticed a delay with the last issue of the YAIY BEACON magazine. It's because we had some difficulties with the printing press. The printing press is doing much better after the new water rollers were installed at a cost of \$1131.76. We were completely dead in the water, so to speak, without them being replaced. They were starting to smear the text to where it was not readable. Now, the overall quality of printing will be most noticeable on the seal on the mini-studies, even the print and pictures are looking better on the YAIY BEACON magazine. Praise Yahweh!

New Maintenance Fund

We want to let everyone be aware of the need for continued maintenance, and in some cases, replacement for our aging equipment. For those that have been watching the REVEALING THE TRUTH (RTT) you may have noticed that one of our cameras is getting lines though it, besides having the color off from the other two, when used in conjunction with the stronger lights of the RTT set. This particular camera is 20 plus years old.

We actually only have two cameras, but have been borrowing one from our video editor, as there is a need for three when doing in-house recordings. Ideally, it would be great to have four cameras in use when there are as many as four individuals on a program being recorded. The interaction with this many make for a very interesting show for our viewers. Gratefully, we've been getting some inquiries from viewers of our two largest stations in San Diego and New York. As more stations are added we trust Yahweh's Word will be proclaimed in a bigger way.

We've done some research and found that there is a newly released Panasonic Pro-consumer camera (3CCD 1/4 chip) which would be very suitable for what we are doing. Its cost with shipping is under \$1000 through one company we found (some companies charge nearly double the cost for the same one). If we could get enough donations to get at least two of these, it would help tremendously in the overall quality of the RTT.

If everyone reading this would only send an extra offering of \$20 to "YAIY Maintenance Fund," we could get the needed cameras w/tripods and have money left over for upcoming maintenance needs, such as the collator for all the literature, which was already accessed and found to need certain parts replaced. It is still working, but the technician has informed us that it needs replacement parts and labor involving upwards of \$2000 in cost.

Please consider offering a tax free donation for this new Maintenance Fund, the goal is \$7000. Thank you.

“...ADD TO YOUR FAITH virtue; and to virtue knowledge; And to knowledge temperance; and to temperance patience; and to patience righteousness; And to righteousness brotherly kindness; and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Master Yahshua Messiah.”

Time to Prepare

With *Passover* (April 20th) and *Days of Unleavened Bread* (April 21st-27th) coming up shortly, the following list of basic ingredients should not be accumulated in any great amount when grocery shopping, otherwise they'll need to be thrown out before Passover. You'll be amazed while looking at labels just how often the following ingredients will show up: **Leaven, Yeast, Sodium Bicarbonate, Potassium Bicarbonate, Baking Soda, and Baking Powder.** Not all are scripturally leavening agents, but do “puff up”

Such things as unleavened crackers are perfect to use for Passover and Days of Unleavened Bread. It should be mentioned that many vitamin products also have yeast, so be sure to check the labels. Now is the time to be thinking about these things and preparing ahead.

Above and beyond all of this is a need to once again start accessing our own lives and what it means to do Yahweh's will. What are we doing daily to draw closer to Him? How is our prayer life? How are we doing spiritually? These are things we need to start asking; knowing that Yahshua the Messiah gave his life for us; knowing that we are nothing without His sacrificial covering. Let's make sure we are striving to be “One” with the Father and the Son, John 17.

Travel Arrangements

For making airport or hotel/motel arrangements please feel free to call us. We have all local information and recommend that flights be booked now for those that are considering flying in. Southwestern is a recommended and affordable way to fly.

Comfort Inn and Super 8 Motel are both less than 3 miles away from the assembly building. For those unable to afford lodging, arrangements for brethren to stay with other brethren locally may be an option. Please let us know your needs and we'll try to accommodate them the best we can.
