Yahweh's Assembly in Yahshua

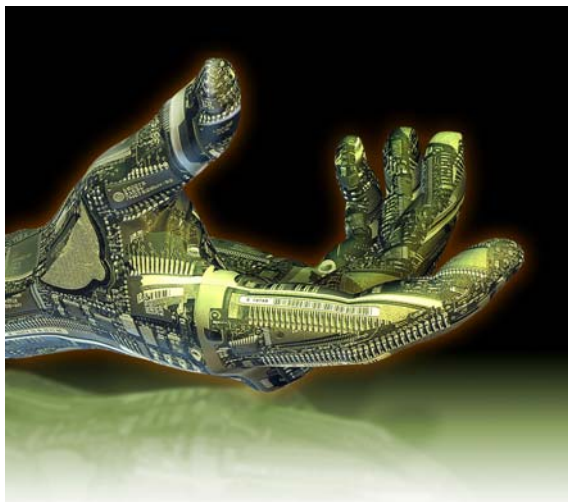

Then Yahweh Elohim formed the man from the dust of the ground. He breathed the breath of life into the man's nostrils, and the man became a living person. Then Yahweh Elohim planted a garden in Eden in the east, and there he placed the man he had made.

— Genesis 2:7-9 NLT

A Truthful Look Into The Origin Of Man

We are living in an age where modern education is literally at odds with one of the most spoken of subjects, that is, "What and where has mankind originated from?"

Basically, we are taught of two systems. One being that we are created; therefore there is the need of a Creator. The other is the indoctrinating theory of evolution. The latter does so without a Master Creator, and relies on a so-called "Natural selection of the species," originated through a "chance" happening and a combination of "elements" systematically evolving. This didn't just take thousands, but millions of years. By this "natural selection," man is supposed to have developed to what he is today!

We read in the Sacred Scriptures that "In the beginning" an Almighty Elohim, through His Word, created all that we see in this physical realm. We notice in the second verse of Genesis 1, this earth lost its first form, and became void (*lifeless: empty: useless: chaotic*), and darkness covered the world.

Now there is no time frame given to us as to how long from the earth's original Perfect Creation (Psalm 19:1; Job 38:4-7), until the earth became a state such as is mentioned in verse two. Yet, Almighty Father, who revealed His Name as Yahweh (The Ever Existent One), gives us many clues in His Word why this earth had to be destroyed (read Ezekiel 28; Isaiah 14:12-14; 45:1; Jeremiah 4:23 and Jude 6 for a start).

Now, from verse three of Genesis 1, Yahweh begins again to replenish the earth and all the space around it. Here He originates His Master Plan so that His will may be done by CREATING physical man in His Image. Let's face it, man could never exist in the age of those prehistoric creatures archeologists dig up out of the earth. They were destroyed by some great calamity, according to scientists, long before man ever existed.

Yahweh told Job what would happen to him facing just one of those creatures (please read Job 40:15-23 and chapter 41). For the reader's further inter-

Yahweh is good to everyone. He showers compassion on all his creation.

— Psalm 145:9 NLT

est, it would be wise to read our Creators very Words recorded in Job chapters 38 & 39. This leaves no arguments that we live in a wonderfully planned creation.

This re-creation, we are told of, took The Almighty Creator a space of six days in creating life we see all around us. He made man out of the dust of the earth, and called him what he really is: “red mud” in Hebrew: Adam. We further read that our Creator placed Adam into a deep sleep and used one of his ribs to form a woman named Eve (life out of man) and He told them to replenish (repopulate) the earth.

Yahweh alone created all living creatures on this earth, and ordained them to multiply within their own kind. At the end of the sixth day, Yahweh created a seventh day of that week and ordained it as a day of rest (A Sabbath). This seven day week is kept to this day and is one of the important proofs of a Creator. This seventh day Sabbath was given to Yahweh’s people to observe forever, in all ages, as an honor and memorial of His Creation.

Even today nature does not mix any of the basic species; it is only through distorted human science this is being practiced today. Modern scientists have unleashed a Pandora’s box which has become uncontrollable through the practice of mixing genes and seeds of various living species, and plant life. We hear of the precious seeds of our basic food we eat landing in the hands of a few, who say they are “genetically modifying” these seeds for better crops. Dare we ask, “With what?”

There is a riddle that goes around as to which came first: the chicken or the egg? Well, according to Yahweh’s Creation it had to be a full grown fowl, as much as Adam was physically developed at Creation. Could you imagine a new born human baby lying in a pool of slime having to fend for itself? OH! Then what could have given it birth? More slime!!

We also see the difference between the animal kingdom and human kind. Animals are given instinct. A new born animal of the field will know minutes after birth exactly where to go for its food, and it also knows how to run by its mother’s side in times of danger. A weaverbird’s egg can be hatched miles away from its own kind, but when an adult it would build a nest the same as all other weaverbirds. On the other hand, a new born human baby has to be taught where and how to drink, and is totally helpless in detecting any type of danger until it is shown everything by its parents. Man has far weaker instincts compared to the animal world. However, Yahweh has given him a spirit which can create, design, devise and sum up a situation, and choose what he or she feels is the best solution to a problem.

He still has to be instructed how to live and we are told it is not in man to naturally have that outgoing love for others. Just look at a child when left on its own, it has to be taught to be obedient and unselfish. Our Creator tells us that these characteristics are not inherent in carnal man, Romans 3:10-18.

BIASED?

In the above, we might seem to be biased against the theory of evolution, and the big bang theory. The fact is, far too many so-called evolution “proofs” have turned out to be blatant hoaxes. And, as far as the “big bang theory” goes, what are the chances of taking a handful of different elements, blowing them up with dynamite, and having a living cell appear? Or, alternatively, taking a few shavings of steel and sand, with a chip of a diamond thrown in, then placing the mixture in a blast furnace and out comes a Swiss watch! These type of ideas are not only ridiculous, but they completely do away with a Creator.

A Truthful Look ...cont.

Science proves that life can only come from a LIVING cell, egg or seed. We are told in Scripture that Yahweh alone created all physical Life as we know of today. He has even promised His chosen a spiritual resurrection at His Son's return to rule this earth for a thousand years. Yes, Yahweh rested on the day following the six days after He created this physical realm. It also appears that He has given man seven thousand years to reach a so-called spiritual maturity. Is not one day to Yahweh as a thousand years to man? (2nd Peter 3:8) Man's rule on this earth is into the final part of its six thousandth year, which is nearly up, and what has he to show for it? Read again: Romans 3:19-18.

Human kind has literally turned his back on our Almighty Creator and Law Giver. Are we so blind not to see the results all around us? This is the very reason why Yahweh warns us that there will be a Day of Judgment which is to come over the whole face of the earth, and IT WILL COME. (Isaiah 24)

Take heed to His warning. Unless we show true repentance, judgment will be laid upon us. Many in this world do not know what they will be judged on, and ignorance of the Law does not mean you can get away with it! We, as His servants, are to speak out like a Trumpet and tell people that they are sinning. One does not really know what sin is until one reads (understands) and obeys Yahweh's Word. Isn't it high time, to start doing so? Blessings in Yahshua's Name.

50th Anniversary of Elder Roger and Jan Meyer

They were baptized in 1969 during the Feast of Tabernacles near Bethel, PA. "During one drive to PA for Feast of Tabernacles we ran out of gas on the PA turnpike just 2 miles short of a gas station and had to wait for the police to bring us some gas.

"Returning from one FOT held in PA we drove non-stop (23 hours) including a stoppage to change a flat tire at night when it was raining."

Roger taught at St. Cloud State University in St. Cloud for 32 years before retiring in 1998. He presently edits YAIY Beacon magazine. Jan keeps busy with her crafts and baking goodies for their children and grandchildren.

Son's of Noah

“Shem, Ham, and Japheth, who were to repeople the earth, seem to have impressed their own characteristics on their descendants. Their very names are symbolical and prophetic. Shem means splendour or glory, Ham burning heat, and Japheth enlargement.”

Fall Appointed Times

We're looking forward to coming before Yahweh at this year's Feast of Tabernacles. Yahweh's Feast of Tabernacles and the Last Great Day begins at sunset on October 12, 2011 and ends at sunset on October 20, 2011. We hope you can make it. We encourage you to keep Yahweh's appointed times locally even if you cannot come to the assembly meetings or to the designated Feast Site. Yahweh does look at each of our hearts, but our faith must be in combination with actions, James 2:14-22. Do what you know to be right in Yahweh's sight and be blessed. Make sure His Kingdom and His righteousness is in the forefront of your mind, Matthew 6:33.

The Day of Trumpets is expected to arrive at the sighting of the new moon on the evening of the 28th, making the 29th of September the first day of the seventh month.

If the new moon, which sets the seven Annual Holy Days is seen a day late, it will therefore push the date to the 30th.

If our calculations are correct, though, the Day of Trumpets will be on the 29th and ten days later will be Atonement, which this year, appears to fall on the weekly Sabbath (8th of October).

Wherever you are, praise Yahweh and lift up your voices. Remember all that He has done and has promised to do for those that love Him. May Yahweh bless you this fall season.
