

KIDS FOR YAH

VOLUME 8, ISSUE 10

October 2014

Are you excited?

It won't be long now! Some of you will be celebrating your very first Feast of Tabernacles. You may be wondering what it's all about. We're here to help you plan a very meaningful feast. First of all, what does tabernacle mean? A tabernacle is a temporary dwelling. For seven days we are commanded to live in a dwelling that is not our normal living space. For instance, a tent, travel trailer, cabin, or hotel room would fulfill this requirement.

Second, we are told that the Feast of Tabernacles is a sojourning feast. This means we are to travel to a location chosen by Yahweh if we are able. It does not have to be thousands of miles away. We are not told exactly how far it should be. Someone will always be closer to a certain location chosen by Yahweh. For some people, it might be right down the street!

The third thing to remember is that the Feast of Tabernacles represents the Kingdom of Yahweh. Therefore, we are supposed to rejoice and enjoy ourselves.

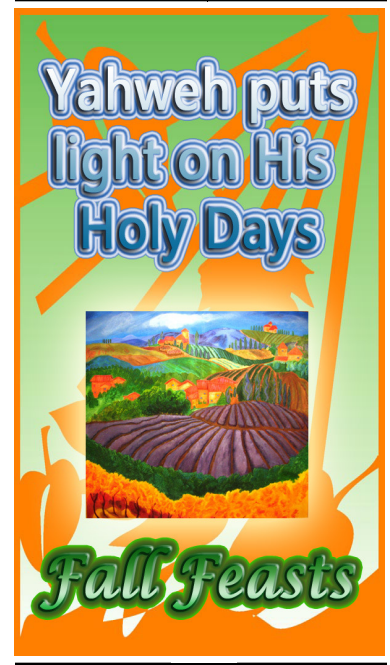

Many feasts have been ruined because people show up with negative attitudes. They leave the comforts of home behind and often find it difficult to adapt to living at a campground for seven days. Even if the weather is bad, we can still enjoy the feast. But we must obey Yahweh first and foremost!

Make your feast extra special by getting involved. Try to attend all the activities, services, and bible studies. Bring along a pen and notepad to take notes. See you at the feast!
