

KIDS FOR YAH

VOLUME 10 ISSUE 12

DECEMBER 2016

Does it really matter what days we keep?

It always troubles me when I hear young people make statements such as, "Yahweh does not care if I celebrate Christmas! And besides, what's wrong with Christmas anyway? Look at the pretty lights and trees! How can that be bad?"

There is a Scripture in 2 Corinthians 11:14 which warns us that our enemy Satan can appear to us as an "angel of light." What does this mean exactly? To put it simply, it means that Satan can make bad things appear good. He is a master of deception. Remember that a dangerous venomous snake can be wrapped up in a box with pretty wrapping paper and a shiny bow, but inside the box would still be a snake ready to bite you! We must always be on guard to make sure our thoughts and actions line up with what Yahweh tells us in Scripture. You may need to dig a little deeper in the Bible to find the truth.

Don't let anyone fool you into thinking that Yahshua was born on December 25th. Serious Bible students recognize that Yahshua was more likely born in the fall around the Feast of Tabernacles. The Bible warns us that Satan deceives the whole world. Even true believers can sometimes fall victim to his devices if they are not careful.

It would be wise of all of us to be like King Solomon who asked Yahweh for wisdom. Yahweh granted Solomon's request, but regrettably, Solomon allowed Satan to pull him away from Yahweh. We can learn from Solomon's mistakes. We encourage our young readers to continue to pray and study under their parent's guidance! Satan does not have to win the battle for our minds.
