## Yahweh's New Year: *The Basics*

Spring has sprung! This means that Yahweh's new year has begun. In Scripture, the first Biblical month is called Abib during which barley in Israel is ready to be harvested. This means we keep Passover and the Feast of Unleavened Bread in the first month of Yahweh's new year. It is a time of new beginnings. Spring cleaning to de-leaven our homes is completed before Passover. Then we eat unleavened bread for seven days.

As many of you know, the Feast of Unleavened Bread is to commemorate the Israelites release from their slavery in Egypt. Through a series of plagues, Pharaoh let the people go. They left so quickly that their bread had no time to rise. Pharaoh pursued Yahweh's people, but Yahweh rescued them. In addition, the Feast of Unleavened Bread reminds us

to purge the leaven of sin in our lives. Sin can "puff us up" just like leaven can puff up bread. Leaven can also represent false doctrine.

Passover is known as *pesach* in the Hebrew. The Feast of Unleavened Bread is known as *Chag ha Matzot*. It is a good idea to examine ourselves spiritually before the Passover. Even young believers can ask themselves some important questions. Even though you will not be able to partake in the Passover emblems until you are a baptized adult, you can study and pray about what Yahshua's sacrifice did for you. Yahweh loved us so much that He gave His only Son to be sacrificed as a Passover lamb so that we could be reconciled to Yahweh. Passover is a very somber observance in honor of Yahshua's death. It is not a joyous time of celebration, but rather a reflective sober night. May you be blessed this spring Holy Day season.
