Get ready for the fall Holy Days!

It's hard to believe that summer is nearly over. Soon we will be keeping Yahweh's fall Holy Days. In this time period, we keep four Holy Days: the Feast of Trumpets, Day of Atonement, Feast of Tabernacles, and the Eighth Day. Each one is unique in its own way.

For instance, the Feast of Tabernacles is the only one that requires us to be in a temporary dwelling for seven days. Day of Atonement is different from the others in the sense that it is the only commanded yearly fast, in which no food or water is permitted. Feast of Trumpets is also known as *Yom Teruah* in Hebrew, which implies "blowing" (as in a *shofar* or trumpet). The Eighth Day is special in Yahweh's plan of salvation because it can symbolize the Great White Throne Judgment found in the book of Revelation, in which the rest of mankind will be judged in the second resurrection. It is a separate feast from Tabernacles and also points us to a time out of time; in other words, eternity.

Of these times, the Feast of Trumpets has many different "tones" that are used when blowing. In ancient Israel, *shofars* (Hebrew for horn, like a ram's horn or silver trumpets) were used to gather people together, or even to warn them of impending battle!

Day of Atonement is significant because it symbolizes the putting away of

Satan. Only when Satan is out of the picture can mankind truly be "at one" with Yahweh. Many children especially look forward to the Feast of Tabernacles because it's fun to go camping with other brethren to learn more about Yahweh! So mark your calendars and see you at the fall Holy Day gatherings!
