## What does it mean to be a light to the world?

You probably have heard the song, “This Little Light of Mine.” It speaks of letting our “lights” shine. We can find this principle in Matthew 5:14-16, which says, *You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.* We see from this Scripture that being a “light” has everything to do with doing good deeds!

You probably know that this current evil world is not what Yahweh wants it to be. A lot of scary things are happening in the world these days. The good news is that Yahweh’s Kingdom is coming. Yahweh’s glorious Kingdom will replace this current evil world. Peace will be widespread upon this earth. Even the harsh nature

of predatory animals will be changed. True happiness will be everywhere.

This is one reason our actions are important. Others need to see our good example, so that Yahweh may be ultimately glorified. How can we be a light to the world? First and foremost, we must be obedient to Yahweh’s commands. Make it a habit to find out what Yahweh expects of you—ask your parents and they can share with you! Another thing we need to do is set the right example for others. For instance, we are to do what we know is right, and not just go along with what the crowd is doing.

We must make choices every day. We must ask ourselves, “Is this what Yahweh wants me to do?” Pray for His guidance too. You are never too young to reach out to Yahweh. He uses young people to do His will. Think of Daniel and his three friends, and Esther, and Miriam (Yahshua’s mother). They were all very young when Yahweh stepped into their lives in a powerful way.
