Love one another

The Bible is very clear from Genesis to Revelation that Yahweh expects His people to love one another. We are even supposed to love those who are not in the faith by praying for them and not taking revenge when they do mean things to us. If you've been to the store lately, you've probably been seeing many aisles of items for Valentine's Day. Many have called Valentine's Day the so-called "holiday of love." But should Yahweh's people get involved in this holiday? After all, love is a good thing, right?

Love is a very good thing! But the roots of Valentine's Day are quite evil and stems from ancient pagan worship, mostly coming from Roman worship. There are many ways for us to love one another without celebrating a pagan money-making worldly holiday. It is sad that many marketers try to make people feel guilty if they don't buy the people they love greeting cards, heart-shaped boxes of candy, or expensive jewelry.

One of the easiest ways to show love, of course, is to simply be nicer to people. Avoid being rude to anyone, even if you don't know them. I've heard store cashiers complain that their jobs would be so much more pleasant if

customers weren't so rude! Make it a point to speak kindly to everyone. Another way to love people is to pray for them. In your own family, be helpful to your parents by offering to help fix dinner or babysit your younger siblings. There are so many ways to show love! What ways can you think of?

"I give you a new command: Love each other. You must love each other as I have loved you. All people will know that you are my followers if you love each other."

John 13:34-35 (NCV)
