## What path should I take?

There is no doubt you will meet many different people in this world. You will also hear a lot of different ideas and opinions, and sometimes you may feel confused or wonder about what is really true. There are many different paths a person can take. Not all paths will lead you to truth either. One of the worst things a young believer can do is just go along with the crowd. There has been a popular saying that tells us, "don't follow the crowd off a cliff!"

As you know, there are many religious paths in the world. But we are very sure that the correct path is to follow Yahweh! In fact, Yahshua says in John 14:6, I am the way, and the truth, and the life... There are so many false religious ideas out

there, but there is only one path that leads to eternal life. We can read of this in the Bible. No other religious book even comes close to the words of life that are in the Bible.

Please read Psalms 23:3 which tells us, *He leads me in the paths of righteousness for His Name's sake.* Did you catch that? There are paths of righteousness! This implies there are also paths of unrighteousness, which you would do well to avoid. We also read in Proverbs 12:28 that, *In the way of righteousness is life, and in that pathway there is no death.*

So choose now which path you will take. Putting your trust in Yahweh is the only way that leads to eternal life.
