## Yahshua's Wedding Miracle

Soon after Yahshua had chosen His Disciples, He attended a wedding in the nearby village of Cana. Friends were there to help the young couple celebrate. Hebrew weddings were very festive, with much feasting and dancing. During the celebration, Yahshua's mother, Miriam, noticed that all the wine was gone. She ran to her Son and told him. So Yahshua instructed the servants to fill six large jars with water. They served some of that water to the man in charge of the party.

“This wine is splendid!” the man exclaimed, “Why have you saved it for so long?” Only a few people at the party knew what happened. The Disciples were amazed. In His life on earth, Yahshua performed many miracles, including healing the sick. With all of this, one would think the people of His town would have been among the first to believe. This was obviously not the case. When Yahshua taught the Scriptures, many people were amazed and believed. It was as if He really knew Yahweh, which He did! But that was considered impossible to a lot of people. Most just knew Him as the son of Joseph the carpenter.

## THE MIRACLES OF Yahshua

Yahshua even had to scold the people who knew Him: “A Prophet is not accepted in His own town. You do not believe in Me just as people long ago did not believe in the Prophets EliYah and Elisha.” This made the people angry and they chased Him away. But many people did believe in Yahshua. Their lives were changed because of it.

Likewise, our lives are changed when we believe. Every aspect of our lives will be different. The way we think, the foods we eat, how we live, what we do with our money and spare time, all become conformed to Yahweh's instructions for mankind. The biggest miracle is that Yahshua died for our sins and we are no longer under the death penalty.
