## COME TO THE FEAST!

As summer winds down, Yahweh's people are preparing for the four Fall Holy Days: Feast of Trumpets, Day of Atonement, Feast of Tabernacles, and The Eighth Day. All four are extremely meaningful.

We are so looking forward to attending the Feast of Tabernacles this year! Many fun activities are planned, including Hebrew Dancing and Canvas Art.

The Feast of Tabernacles pictures Yahweh's coming Kingdom, when Yahshua comes to reign as King of Kings. But we must remember that, while the feast is meant to be enjoyable, it is NOT just one big party. Yahweh's Holy days all have special intent and meaning. Some people only attend the feasts because they want to have fun. This is not the right

attitude.

People should attend Yahweh's feasts because they are commanded convocations. We should focus on Yahweh, not how we can serve ourselves. In fact, coming to the feast and dwelling with other believers for eight days can teach us very important spiritual lessons. When we work together in the kitchen preparing the fellowship meals, we learn to work together and get along with people of various personalities. Some are quiet and shy, and some are outgoing and boisterous. Spending time together helps us bond with our brothers and sisters. It's important to learn how to serve others. If you see a need, it's important to try to meet that need rather than complaining or gossiping.

So what is the best way to serve? For starters, watching our own attitudes goes a long way. Be nice to others and remain friendly. Help prepare the meals and participate in clean up. Many hands make light work. Be a light to the world! When you let your light shine, others often follow suit. May you have a blessed Fall Holy Day season!
