## Miracles

In the New Testament, we read of the many miracles performed by Yahshua. The word "miracle", which is derived from Latin, means "something wonderful." It is an event that overrules natural occurrences. It is not like so-called "magic" tricks which are phony and have their roots in witchcraft. Yahweh's miracles are real! Twice we read in the New Testament that Yahshua miraculously multiplied food to feed hungry people.

The first time occurred when Yahshua received the bad news of John's beheading. He was very sad, so He took a boat to a lonely place across the sea of Galilee. But He was not alone for long! Thousands of people gathered around Him to hear Him

As it was getting late, the disciples worried that the people would become hungry. All that they could find were five loaves of bread and two fish. No problem! Yahshua multiplied it to feed over 5000 people! In fact, the disciples even collected twelve baskets of leftovers.

The second time occurred when Yahshua had been teaching on a hillside for three days. This time the disciples could only find seven loaves of bread and a few small fish. Once again, Yahshua multiplied it and fed over 4000 people! There were seven baskets of leftovers. With Yahweh, all things are possible!

And when he was come nigh, even now at the descent of the mount of Olives, the whole multitude of the disciples began to rejoice and praise Elohim with a loud voice for all the mighty works that they had seen; Saying, Blessed be the King that cometh in the Name of Yahweh: peace in heaven, and glory in the highest.

—Luke 19:37-38
