## WHY DID YAHWEH FLOOD THE EARTH?

After Adam and Eve sinned and left the Garden of Eden, mankind grew and populated the earth. The people built towns, raised animals, and grew crops to feed their hungry families. But the people did not follow Yahweh's ways and practiced violence everywhere. It hurt Yahweh so much that He even was sorry that He had made mankind. So He decided that it was best if He destroyed everything on the face of the earth, everything that had the breath of life—all living creatures.

Yahweh found one man that was righteous. The man's name was Noah. So Yahweh decided to save Noah and his family. He explained that a great flood was coming. Yahweh gave Noah instructions to build an ark that would keep them safe from the deep waters that would soon cover the earth. Noah obeyed Yahweh and

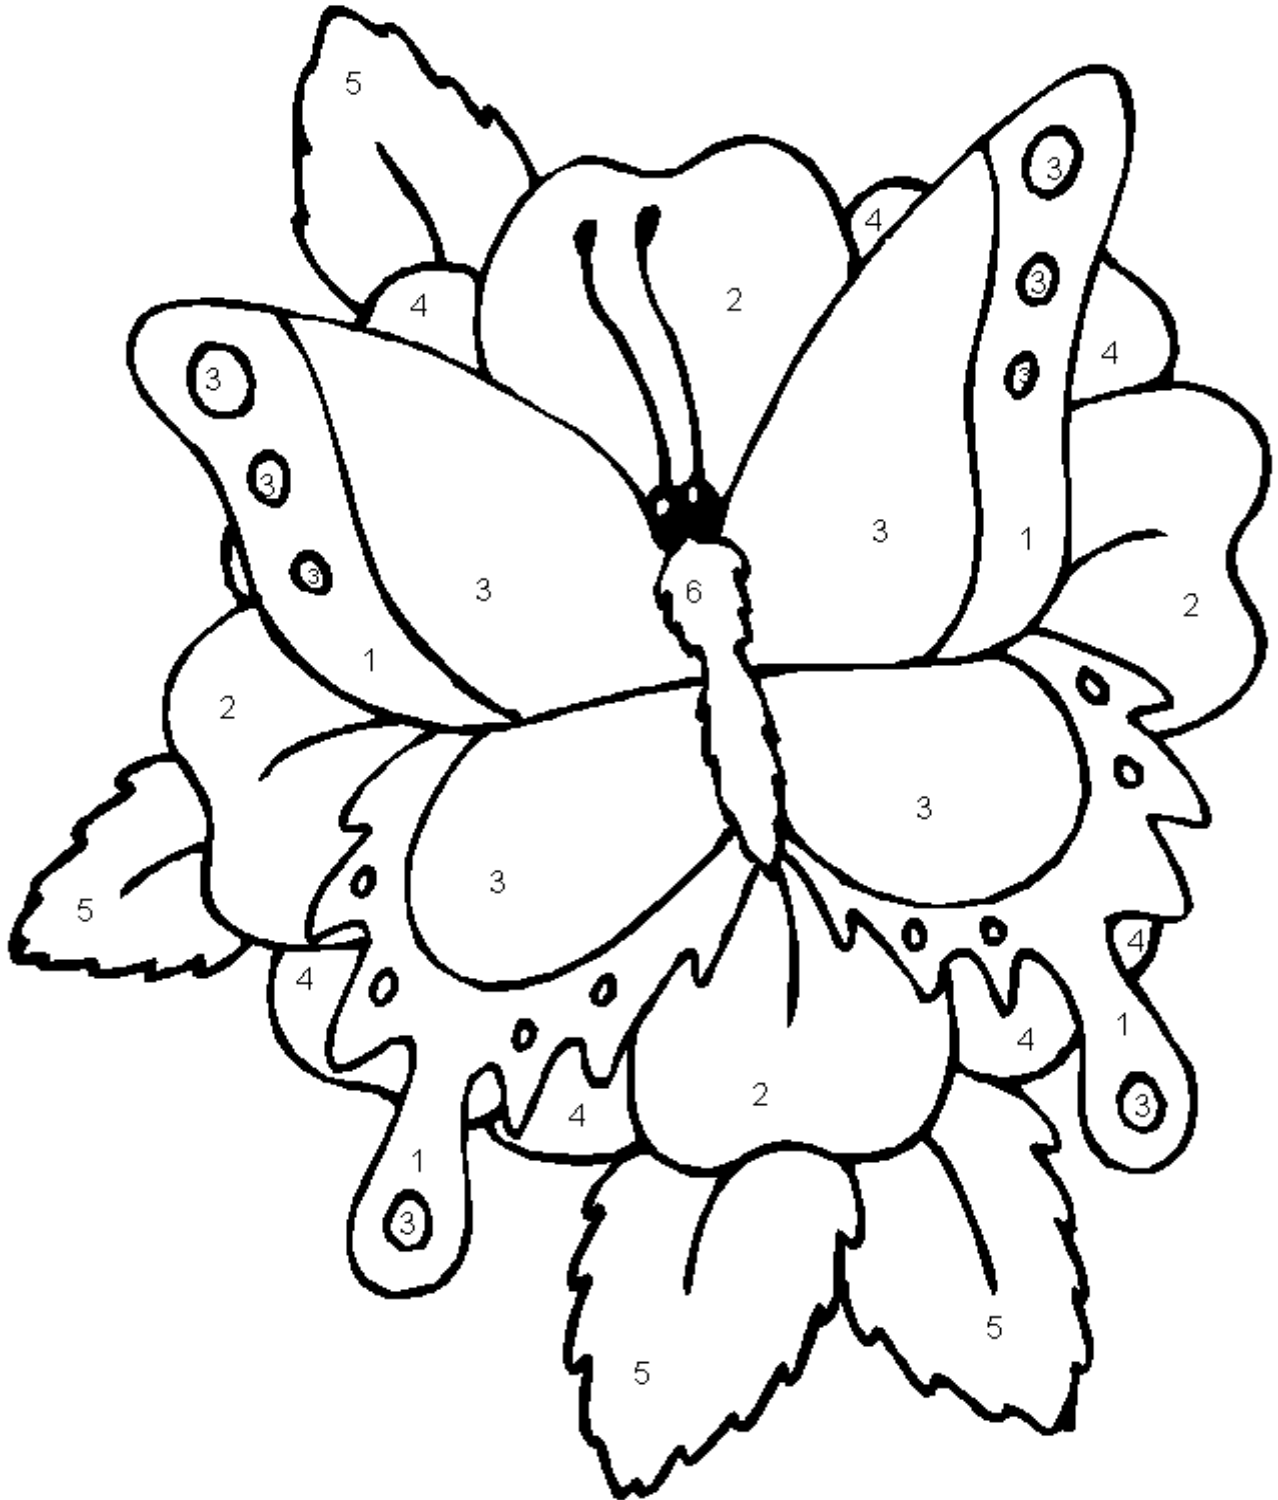

got to work building the ark. After the ark was built, Noah brought the animals inside that Yahweh had told him to. When all creatures were safely inside, Yahweh closed the door and it began raining. For 40 days and 40 nights it did not stop. Noah and his family lived for over one year in the ark. How happy they must have been to finally walk on dry ground when Yahweh caused the flood waters to recede! Yahweh promised never to destroy the world by a flood ever again. Whenever we see a rainbow, we are reminded of Yahweh's promise.

# What is a Covenant?

*A covenant is a special agreement. It is an important promise to do something. We find many examples of covenants in the Scriptures. For instance, Yahweh made a covenant with Abraham. If Abraham would only worship*

*Yahweh, Yahweh would multiply Abraham's descendants like the sands of the seashores. When we make promises, we should always keep them. Yahweh takes promises very seriously. Abraham's descendants were punished severely when they did not keep their part of the agreement. Yahweh allowed bad things to happen to them, such as famines, wars, and captivity. But when the Israelites would repent and start following Yahweh again, Yahweh would bless them. It is the same with us today. We must follow Yahweh forever and live His way til the day we die. Let us always keep our promises!*
