VOLUME 9 ISSUE 11

You are special!

In Psalm 139:14 we read, "I will praise You because I have been remarkably and wonderfully made..." Did you know that you are special because you are made in Yahweh's very own image? It's true! He created every one of us unique, and that's a very good thing! It's very obvious that Yahweh loves variety. Look at everything that He created. See the different kinds of plants, and different colored flowers, and all the many animals. We are also His creation, and none of us look exactly alike, unless you're an identical twin or identical triplet! Some of us are tall or short, have straight or curly hair, and have many varied colors of hair, skin, and eyes. The world would be a boring place if everyone looked exactly the same. There will never be another human exactly like you!

everything by appearing to tempt Eve. Because of sin, we no longer have the perfect relationship with Yahweh and no longer live in a perfect paradise. However, He sent Yahshua to reconcile us to Him, which many people are doing! We all make mistakes, but when we accept Yahshua's sacrifice we get a fresh start. Then we can work on further restoring our relationship with Yahweh, with much prayer and Bible study. So never forget that you are made in Yahweh's image and you are very special!

From the beginning of creation, Elohim has wanted a close relationship with His creation, especially humans. He created Adam and Eve, the first humans, in a perfect garden paradise and even talked with them! But it wasn't long before Satan, in the form of a snake, ruined

For Elohim so loved the world that He gave His only brought-forth Son, so that everyone who believes in Him should not perish but possess everlasting life. For Elohim did not send His Son into the world to judge the world, but that the world through Him might be saved.
