Thankfulness as a habit

Have you ever thought about all the wonderful blessings that Yahweh has given you? Do regularly thank Him for all that you have? If not, now is the time to make thankfulness a regular part of your life. Yahweh does not have to pour out His kindness upon us, but He does, because He loves us so much! He blesses mankind even though they sometimes don't deserve it.

Think about all your blessings. Sit down and make a list. What can you thank Yahweh for? Here are some ideas to get you started: good, healthy food, clean water to drink, a loving family, a roof to cover your head, and good health. I'm positive you can think of many, many more things to be thankful for.

Many times we take for granted all the good things that we have. We must never do this! It is a big mistake to forget all the blessings we were given by Yahweh. There are so many Scriptures in the Bible that mention thankfulness. One of my favorites is found in Colossians 4: 2 (New American Standard), which says, "Devote yourselves to prayer, keeping alert in it with an attitude of **thanksgiving**." (emphasis mine)

Surely we all remember the story of the ten lepers that Yahshua healed, and only one returned to thank Him! Please read the story in Luke 17: 12-19. It is hard to imagine that the other nine, who were also healed, forgot to be thankful! Never let this happen to you. Make it your habit, starting right now, to thank Yahweh for all your blessings.

Help Dad pick up leaves!

Yahweh's seasons are beautiful, but fall can be especially messy when all the fallen leaves cover your yard. Be a good helper and give your parents a hand by picking up all the leaves. Color the fallen leaves below in fall colors such as yellow, brown, red, and even purple! Have fun being a good assistant. Your parents will appreciate you so much.
