The Busiest Season in Yahweh's Calendar

Autumn is the busiest season according to Yahweh's calendar. There are four Holy Days that we are to keep in the Fall: Feast of Trumpets, Day of Atonement, Feast of Tabernacles, and the Last Great Day.

For children who attend public schools, this means you will be taking a lot of time off from school! The Fall Feasts are extremely exciting for children, especially the Feast of Tabernacles. We get to live in temporary dwellings for a week and have lots of fun! We'll be eating lots of good food, hearing Yahweh's word preached every day, and participating in great activities.

Yahweh's Holy Days are so much better than the world's holidays. Most of your classmates will be looking forward to keeping Halloween and Christmas, but those two holidays have very evil pagan roots and should never be celebrated. In the Bible, we are never commanded to keep Halloween and Christmas. It might look like your classmates are having fun, but we must focus on Yahweh's true Holy Days. Most new believers don't even miss celebrating worldly holidays once they have kept their first exciting Feast of Tabernacles! It is so nice to meet with other like-minded believers and spend time studying the Scriptures. See you at the Feasts!
