THE GREAT FLOOD

Many parts of the world experience devastating floods. Only Yahweh knows the exact number of people and living creatures that have been lost due to the numerous throughout the centuries. But a very long time ago, Yahweh brought a flood upon the whole world that was so incredible, all the other floods on earth pale in comparison. All people and animals drowned, except for the small number of people and animals that were saved on the great ark that Yahweh instructed his servant, Noah, to build. The flood in Noah's time was so great, that

even the tallest mountains were covered with water. The world in Noah's day had become so evil that Yahweh decided to start over. A time is also coming in the future when Yahweh will bring our evil world to an end, and make a new and better

one, with Yahshua as King. Be sure you are following Yahweh's ways now so you can take part in the glorious future that is prepared for those who love Yahweh. If you are one to stand up for Yahweh's Word, He will have a very important job for you in the coming Kingdom. Yahweh is looking for people who love Him and want to live His way. They will receive the most wonderful rewards in His kingdom, including eternal life. You are never too young to worship Yahweh, so make it a habit now. Let us all strive for the Kingdom!
