

# KIDS FOR YAH

VOLUME 9 ISSUE 6

JUNE 2015

## Keeping Yahweh First

As a young believer, Yahweh should be at the top of your priorities. We know that all of Yahweh's people are bombarded daily with distractions and things that pull us away from Him. This is something we should diligently make sure does not happen. Make a list of things that might be distracting you from Yahweh. There is nothing wrong with playing video games or having fun playing outside, but when these things take too much time away from our Heavenly Father, we need to re-prioritize our activities. We don't want to cry out to Yahweh only when things are going bad in our lives, and then ignore Him when things are going well.

Start spending time praying and studying the Bible today. A very good time to pray is before school and before bed. You want to begin and end your day on the right foot. In the morning, you can pray that Yahweh will protect you at school and that you would set the right example for your teachers and classmates.

At the end of the day, you can tell Yahweh all the things that happened during the day, even the things that upset you. You can pray for good health and a nice peaceful night's sleep. Many people actually find that they sleep much better after praying! So, we encourage you to continue to grow and seek Yahweh. Make Him first in your life and your future rewards in the Kingdom will be literally out of this world!
