## *Let's Learn About Pentecost*

Pentecost is one of Yahweh's annual pilgrimage Holy Days. Pentecost, in the Greek, means "count 50." It was celebrated 50 days counting from the day of the wave sheaf offering the wave sheaf. In the Old Testament, Pentecost was known as the Feast of Weeks or the Feast of Firstfruits. We are expected to keep all the Holy Days.

Pentecost has much significance in both the Old and New Testaments. In the new, the disciples received the gift of the Set-apart spirit, which appeared as tongues of fire above their heads, and they were able to speak in different languages so that they could teach all people

about Yahshua. Language is often a barrier when preaching to those who cannot speak your language. But Yahweh had removed that barrier for the disciples in the first century. It was quite a miracle that surprised many people back then.

In the Old Testament, the Feast of Weeks commemorates the giving of the law. We know that Yahweh's law is important for all the world. If everyone truly followed Yahweh's law, the world would have peace and everyone would experience true joy in their lives. One lesson we can learn from ancient Israel is that we need the Set-apart Spirit to truly obey the law. The Spirit was not widely poured out on ancient Israel and they struggled to do what was right in Yahweh's sight. Today, the Spirit is given to those who obey Yahweh. The Spirit helps us to do the right thing. Let us keep Pentecost with joy for the wonderful miracles that Yahweh allowed to happen on this special Feast!
