Prayers that get answers!

We've covered prayer in previous issues, but for our new readers, it's worth reviewing. Prayer is basically us talking to Yahweh, our heavenly Father. You can pray either out loud or silently. Yahweh can hear you either way, since He even knows what is in our hearts and minds.

Yahweh loves us so much that He wants to have a relationship with us. Daily communication is vital in any relationship, and there is no relationship more important than the one between us and our Creator.

There are lots of things you can pray about. Some ideas are to pray for protection for ourselves and the people we care about. We can also ask Yahweh for more understanding of His will and His Word. Also, prayers of thanksgiving are very important. He blesses us so very much.

Think of all the things you can be thankful for: food, water, clean air to breathe, clothing, shelter, and family. Many more blessings can be added to this list obviously.

When making requests to Yahweh, in Yahshua's Name, we must always be respectful and never demand things. He knows what is best for us and sometimes we request things that are not according to His will. Sometimes Yahweh's answer is no to our request. Many have asked about what position we should pray in. There is no set way. In the Bible, people have prayed in all different ways, such as standing, kneeling, and even lying down on the ground. So let's start conversing with our Heavenly Father today!

Serving Others

The Bible says it is good to do nice things for one another, such as helping your siblings with their homework or offering to help your elderly neighbors to shovel snow. Help get the hot bowl of healthy soup below to the neighbor who is under the weather. He'll be thankful and start feeling better because you've helped him. Don't forget to wear kitchen gloves.
