VOLUME 6, ISSUE 9

September 2012

## Are you ready for Yahweh's Fall Feasts?

Yes, we are quickly approaching the four feasts commanded by Yahweh that occur every fall season. These days include the Feast of Trumpets, the Day of Atonement, the Feast of Tabernacles, and the Last Great Day. Many youngsters are especially excited about the eight day Feast of Tabernacles and the Last Great Day because they get to camp out with friends and family.

As most of you know, Yahweh's people are expected to observe His true Holy Days, and not observe the man-made holidays created by human beings that often have pagan roots. So what do these Holy Days symbolize? They show us Yahweh's plan for mankind. Here is a very brief overview:

**Feast of Trumpets**—many people believe that Yahshua will return on the Feast of Trumpets in the future.

**Day of Atonement**—this day is observed by fasting from food and water—only adults and older children are expected to fast. This day shows us that we are washed and covered by Yahshua's sacrifice.

**Feast of Tabernacles**—we dwell in temporary dwellings for 7 days. This day symbolizes resurrection into the kingdom.

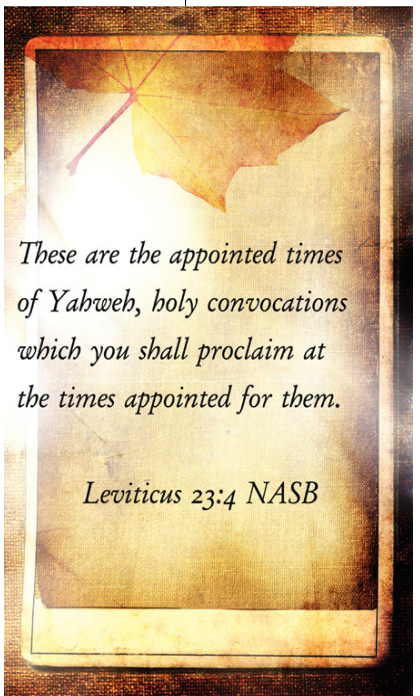

**Last Great Day**—this day foreshadows a time when the entire world will be subject to Yahweh.

Have a very blessed fall Holy Day season!
