## PASSOVER SERVICE

(suggested outline for those unable to attend)

Prior Preparations:

- Have unleavened bread **broken** on a plate covered with a napkin.
- Pour fruit of the vine into small nut cups--anticipating the probable number present. Cover with napkin as **well**.

This would usually end the service, which is much like a funeral service. It is not a time for visiting. However, if desired one can share the reading of **Matthew 26:30 - 27:66**. The disciples and Yahshua evidently read the "Hallel" **Psalms 113-118** that night. **John chapters 17-19** can also be read. These would be appropriate for this *Night to Be Much Observed*.
