Feast of Weeks Was Great!

There is great joy in coming together on Yahweh's Holy Days to worship and fellowship with brethren of like mind. This year's Feast of Weeks (Pentecost) was no different, as brethren came together in obedience to Yahweh and in the faith in Yahshua the Messiah.

A few pictures were taken which are shown here. Also, along with this issue of YAIY NEWS please find the Feast of Tabernacles registration form, along with pertinent information. Plan now for this year's Feast of Tabernacles and Last Great Day.

Rejoice evermore. Pray without ceasing. In every thing give thanks: for this is the will of Elohim in Messiah Yahshua Concerning you. Quench not the Spirit.

— 1 Thess 5:16-19

Rejoice in Yahweh always: again I will say, Rejoice. Let your forbearance be known unto all men. Yahweh is at hand. — Phil 4:4

Landscape of YAIY

The grounds here at the Assembly hall in Kingdom City have been getting a much needed makeover, from the removal of some dead trees to the planting of new ones and overall trimming, the Assembly grounds are looking great! A special thanks to Deacon Gary Merryman who has been volunteering much time in this area to spruce things up. New lighting has also been installed to the north and east side of the building for added security and light at night.

Thanks to Sister Bonnie Merryman, as well, for helping give a new arrangement of plant decorations in the meeting hall. Looking Good!

Elsie Davey

It is with sadness that we report the death of Sister Elsie Davey, age 90, as of May 28. Sister Elsie’s six daughters survive and one son and husband preceded her in death. Her loving family took care of her at her home where she died peacefully. She was a devoted lover of Yahweh and had celebrated Pentecost with visiting brethren before passing. She had called us not many days before her death and it seemed, now, that she was calling to have Yahweh “bless everyone one more time” on that day. She will be missed greatly.

Revealing The Truth

The new telecast “Revealing The Truth” made for television and cable program is about to film its premier broadcast. We have been working on the design layout and have acquired needed music for the introduction. Commercials have been being filmed and there are about two left to be finished that will give us a fairly complete selection with variety of content and times. We will be filming at least four new programs before sending to stations.

Public Cable Access stations will be written to shortly and sponsors will unquestionably be needed for many of them. This is where volunteers will be requested to sponsor the programming. We will be actively seeking volunteers in specific areas around the country for this need. You may already be experienced in sponsorship. If so, we’d like to hear from you. Be a part of reaching out by “Revealing The Truth” to others in your area.

Articles Reformatted Online

All articles have now been reformatted and posted online for better viewing purposes. These are for download via Adobe PDF for reading or direct printing from our website, see upper right corner on each online study.

Minor corrections were also made which included getting the Hebrew and Greek font styles to show where appropriate. In addition to these, there have been new translations added to the foreign translation section. We are grateful to the brethren that have helped in serving to provide these to others. We trust Yahweh will reward one for the help provided.

New Search Engine

A new and powerful search engine has been added to the YAIY website for aiding in Bible study. Search for something like "Pentecost Counting" or "Latter Rain" and get the links to the articles or information containing these items of interest. The search engine is free of ads and doesn't promote other search engines like Google. We trust it will be an efficient way to look up certain areas of scriptural interest that would not otherwise be readily available.

It is the glory of Elohim to conceal a thing: but the honour of kings is to search out a matter, Prov 25:2.

Greetings from Trinidad

Greetings,

It was a wonderful time, we enjoyed all of it, and I believe this Feast will be a blessing through our Savior Yahshua the Messiah.

Feast of Shavoth, Weeks or Pentecost held on Sunday 27th May, 2007 at Hyde Road North Bagatelle, Trinidad, West Indies. We celebrated the feast with our visiting brethren. Service began with an opening prayer by Elder Joseph, and then he gave an exhortation based on the purpose of the Feast. Songs were rendered in unison followed by a Sermonette by Bro. Meljohn. His opening Scriptures was Exodus 23:14-17 and Leviticus 23:1-6. His topic was based on the Sabbath (Shabbath). He stated that when we remember the Sabbath, we should remember Yahweh making provision for us because He knew that man would fall. He continued with Leviticus chapter 23 to explain that the Sabbath set the plan for all of the other Sabbaths (Feast Days) of Yahweh's Holy Days. He noted that Pentecost is the time when covenant agreement was made with man, and this covenant is unconditional. In closing he reminded us to be Prepared.

Songs were rendered and the first part of the session was suspended with a closing prayer by Bro. Dan.

Service resumed with a few songs and Special Offerings were made to Yahweh. Then the evening speaker Bro. Hollis Jones was presented. His opening remarks were "Israel was distinct because of the lives they lived". He highlighted that if Yahshua had not died and resurrected the promise of the Spirit would be of no use to us, and this day of Pentecost would have no meaning to us. Only be faith in the Messiah can we keep the Sabbath and the feast days. In his closing presentation he noted that the Sabbath is provided so that we can enjoyed the redemptive work of the Messiah, and there is a greater harvest to come. He then ended. Songs were rendered in unison and prayer was by Bro. Riley, And service was ended.
