Blessings Abound

We were extremely blessed, as we kept this year's Feast of Tabernacles with other like-minded brethren. There was a peace that could only be described as spiritual. It is certainly a foretaste of what is to come when Yahweh's Kingdom is established. It will be peace and prosperity that this world has not known before. The weather, we're happy to report, was great, too!

Having come back from the Feast, to the home office here in Kingdom City, we were pleased with all the requests for the newly reprinted booklet called, "The Mistaken J." We trust it will be a blessing to all who read it. There are still more requests coming in, which means, Yahweh's Word is moving forward.

It was a blessing to have had some extra help at the assembly, even before the Feast. Then, after the Feast, even more helping hands arrived. All we can say is, "Praise Yahweh." He knows our needs, hopes and desires. As we strive to seek His coming Kingdom and righteousness, we know His Word promises that these things will be added.

Speaking of adding, we had \$400 that was raised from the "This 'n That" store. It has been added to the *Maintenance Fund*. Just in time, too, as one of the electronic boards just went out on the collator stitch-feeder. We've ordered the new board and should be installed by the time you read this.

We're looking forward to printing the "Biblical Holy Days" booklet this month. It has already been plated from the negatives, and is ready for printing. Eight other mini-studies, which we ran out of, have already been printed and are ready to be collated.

Overall, no complaints. It's true, with Yahweh's Spirit leading and a little faith, nothing is impossible. Please let us know if we can be of further service to you or if you have some ideas you'd like to share. Praise and glory be to Yah!

...One more blessing! We recorded 20 songs during the scheduled Community Sing Along at the Feast. These CDs are now available for ordering. Just contact us and let us know you'd like to receive a free copy.
