VOLUME 9 ISSUE 3

March 2015

## Spring is in the air!

Finally, the world celebrated its last pagan holiday for the winter season. Valentines Day is over and done with, and Yahweh's people are looking forward to the spring Holy Day season. Yes, the world will be celebrating Easter,

but Yahweh's people know that the world, as a whole, has wrongly substituted Easter for Passover. In the King James version of the Bible, the word "Easter" does appear, but we know it was translated incorrectly. The original word was *pascha*, which literally means Passover!

Passover and the Feast of Unleavened Bread is very important to Yahweh's people. The spring season is also the start of Yahweh's New Year, not the dead of winter in January. We keep Passover as a reminder that Yahshua died for us. Because of His sacrifice, we can have a relationship with Yahweh and are reconciled to Him. Our sins have separated us from Yahweh, but we are washed clean by Yahshua's blood.

The Feast of Unleavened Bread is also a meaningful time for Yahweh's people. During this time, we are not allowed to eat anything containing leavening agents such as yeast or baking powder. We thoroughly clean our houses and remove items such as cookies, cake mixes, muffins, buns, rolls, and soft puffy bread! Many new people worry that there won't be anything to eat, but have no fear. You can still eat fruits and vegetables, rice, pasta, beans and legumes, eggs, clean meats, clean fish, poultry (providing they are un-breaded, of course), nuts and seeds, and dairy products. We hope to see you at services!
