## Lessons from the Sermon on the Mount

Throughout His life on earth as a human, Yahshua often travelled to the towns scattered throughout Israel to preach the good news of Yahweh's coming Kingdom. News of Yahshua spread and people often brought sick people to be healed. Yahshua knew that these people needed so much more than just physical healing. He could see how their sins were separating them from Yahweh. They needed to get their priorities right. So one day a huge crowd gathered and Yahshua spoke to them for hours.

Here are some of the things He told them: *“Don’t be worried all the time. Yahweh can always provide for your every need. How you live your life is much more important than what you eat or what you wear. Seek first Yahweh’s Kingdom, and He will take care of you. Look how He takes care of the flowers and the birds. You are more important than these birds.*

*Yahweh is more important than money. Don’t pile up worldly possessions here on earth because thieves might steal it. Serving Yahweh should be your treasure. And you will receive a great reward.”*

These words are as true for us today as they were for those people thousands of years ago. Think about making Yahshua’s Words a part of your life. You can be assured that if Yahweh is your first priority, you will make it into His Kingdom. That is His promise to us.

*“Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life, and only a few find it.*
