What's wrong with Easter?

What do Easter baskets, bunny rabbits, and colorfully dyed eggs have to do with Yahshua's death and resurrection? Absolutely nothing! Yet, the majority of the world will observe Easter while believing that it honors Yahweh's precious Messiah. Those of you who have been with us a while know that we are to keep Yahweh's real Holy Days. Easter is a counterfeit holiday that mankind has attempted to replace Yahweh's true Passover. The word counterfeit means "fake, or imitation." So Easter is a fake holiday intended to cover up the genuine observance intended by Yahweh.

Moreover, Easter has very pagan roots. You know that Yahweh has warned us repeatedly not to worship Him using pagan observances. It does not bring honor to Him at all when we copy the religious practices of the ancients. Even the very word "Easter" was the name of a pagan deity, Ishtar or Astarte. Throughout history, mankind as a whole has attempted to stamp out true worship. Yahweh's enemy "satan" has always been hard at work trying to sway the world to do the wrong thing. Satan often does his dirty work by using children. For instance, he dresses up evil holidays to make them look fun and innocent to appeal to youngsters. People think to themselves, "What could be wrong with hunting for Easter eggs?" A lot of things are wrong with it! We must always worship Yahweh **ONLY** the way He tells us to. Turn away from evil now, and your reward will be entrance into the Kingdom.
