## Looks can be deceiving!

Now that Christmas and New Year's day are a distant memory, you're probably noticing the preoccupation with Valentine's Day. Many TV commercials are promoting this day as the "holiday of love." They often manipulate people's emotions by implying that you don't really love someone unless you buy them a gift on Valentine's Day.

The main reason, of course, that Yahweh's Assembly in Yahshua doesn't celebrate Valentine's Day is that it has easily-proven pagan roots. Plain and simple, Yahweh does not condone celebrating holidays invented by mankind to satisfy their own selfish pursuits. Almost every pagan holiday has a pagan deity attached to it, and Valentine's Day is no exception.

We are warned in Scripture that our enemy, Satan, can appear as an "angel of light." In other words, he can make something that is evil appear innocent and good.

Nowhere in Scripture do we find people showing their love for each other by purchasing flowers and cards on Valentine's day. Instead, true love is shown by serving

one another. Don't be fooled by Satan's tactics. He does not want people to experience true love by knowing Yahweh. Scripture tells us that Yahweh IS love. Satan has been a liar from the beginning. He is a real being described in Scripture, not a mythical figure as claimed by some.

Ignore all the aisles of Valentine's Day paraphernalia at the stores. Find better ways to express love to people by serving them!
