Slay any giants lately?

Most of you are familiar with the story of David and Goliath. David was a young shepherd boy who defeated the champion of the Philistines, Goliath. We know from Scripture that Goliath was a fierce warrior who struck fear in the hearts of everyone around him. He was much bigger than the average man, with an attitude of pride, arrogance, and disrespect. Goliath trusted in his size and strength.

With Yahweh, size does not matter one bit. David had a deep belief and faith in Yahweh, so Yahweh was very happy to help David take down Goliath. Yahweh looks at the hearts of people to see who will trust Him. Yahweh even said that David was a man after His own heart! That's quite the compliment. How about you? Are you striving to become a person after Yahweh's own heart?

In today's world, it can often feel like we are facing "Goliath." Not the giant Philistine in the Bible, but the problems and concerns of life in general. Do you ever feel overwhelmed with situations in your life? We all have "giants" to face in our lives. But let's learn a lesson from David. Put your trust in the One that can help you slay any giant that comes your way. Life is not easy, even for those who worship Yahweh. Troubles happen to everyone on this planet. But being on Yahweh's side can make life a lot more bearable!
