What is true love? Is it valentine's Day?

By now, you're probably seeing Valentine's Day promoted on television and in stores. Many people call it the "holiday day of love." Commercials and advertisements encourage people to buy greeting cards, jewelry, flowers, or

heart shaped boxes of candy to show their love to those they care about. But is Valentine's Day really the "holiday day of love"? The short answer is no. Yahweh does not condone our participation in pagan holidays. In modern times, Valentine's Day is also a money making ploy to

get people to spend money. We are made to feel guilty if we don't buy the people we love presents. But what does the Bible say about true love? Does the Bible say that heart shaped boxes of candy really shows our love to people? No! The absolute best way to show people love is to tell them that you love them! And serving one another is also a good way. Being nice to one another is also a way to express love. Of course there is nothing wrong with giving gifts to one another, but the Bible mentions more important ways to show love. Yahweh showed the ultimate example of true love when He sent His Son Yahshua to die for our sins, so that we may be saved.

In closing, let's read 1 Corinthians 13:4-8a (NIV), "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails."

*Do not fall into the trap of following their [pagan] customs and worshiping their gods. Do not inquire about their gods, saying, 'How do these nations worship their gods? I want to follow their example.' **You must not worship Yahweh your Elohim the way the other nations worship their gods.** for they perform for their gods every detestable act that Yahweh hates. They even burn their sons and daughters as sacrifices to their gods. So **be careful to obey all the commands I give you. You must not add anything to them or subtract anything from them!***
