## Yahweh's New Year

We all know that Yahweh's new year begins in the spring time. The Passover and Feast of Unleavened Bread are almost here! This is one of the most exciting times for Yahweh's people. Winter is nearly over, and for many of us, this means we will start working on our gardens. We are all excited about keeping the spring Holy Days too!

You might be seeing your mom looking through the kitchen shelves, seeing what items need to be removed before the feast. You might also see her checking labels at the supermarket. Why do we do this? When Yahweh brought His people, Israel, out of Egypt, they did not have time to put yeast in their bread. Therefore they ate "unleavened bread." Likewise, we are also commanded to, eat unleavened bread for seven days. The Passover is named that because the death angel "passed over" the houses that the obedient Israelites were in because they had marked their

door posts with lamb's blood as Yahweh commanded. Yahweh was punishing the Egyptians for mistreating His people in Egypt. All the firstborn were killed by the death angel where the doors were not marked. This horrific event made the pharaoh of Egypt finally release the Israelites!

During the days of Unleavened Bread, we avoid all foods containing leavening such as bread, cakes, cookies, muffins, flour tortillas, biscuits, buns, and others. Have a blessed spring Holy Day season!
