VOLUME 10 ISSUE 10

Reasons to NOT go trick or treating

An upset man recently called us at the office and complained that we teach against trick or treating for children. He claimed that trick or treating is a harmless, fun activity for children. We disagree strongly with his reasoning!

Halloween has very evil demonic roots, just like all the other pagan holidays that we teach against. Yahweh's people have no business participating in evil holidays. If you dress up a mean wolf in innocent sheep's clothing, it is still a mean wolf underneath!

Yahweh will not tolerate compromise. He has given His people specific Holy Days to celebrate. For those who are new, we are to keep the following Yahweh-sanctioned observances: Passover, the Feast of Unleavened Bread, Pentecost, the Feast of Trumpets, the Day of Atonement, the Feast of Tabernacles, and Eighth Day.

We do not celebrate New Years Day, Valentine's Day, Easter, Halloween, and Christmas. It is time we fully submit to Yahweh's instructions and avoid all appearance of evil. We will be blessed if we keep the days Yahweh commanded us to keep.

In addition to the above reasons, we find that trick or treating can pose a real danger to children! Over the years, there have been numerous news reports about children being harmed by tainted candy, or being hit by cars in the dark. Let's avoid putting ourselves in unnecessary danger, by doing what Yahweh tells us to do!

Some people say, "Ask the mediums and fortune-tellers, who whisper and mutter, what to do." But I tell you that people should ask their El for help. Why should people who are still alive ask something from the dead? You should follow the teachings and the agreement with Yahweh. The mediums and fortune-tellers do not speak the Word of Yahweh, so their words are worth nothing, Isaiah 8:19-20 NCV.
