Fall Holy Days

Summer is almost over, and soon we will be keeping Yahweh's fall Holy Days. The four fall Holy Days consist of: Feast of Trumpets, Day of Atonement, Feast of Tabernacles, and the Eighth Day. All of these occur in the Biblical seventh month. The visible new moon crescent begins the Feast of Trumpets, also known as *Yom Teruah* in the Hebrew. Next we keep the Day of Atonement, known as *Yom Kippur* in Hebrew. The Day of Atonement is different from the other Holy Day in the sense that it is a day of fasting. Fasting means not consuming food or liquid. The Bible refers to it as "afflicting your souls."

Then we come to the much-anticipated Feast of Tabernacles, also known as *Sukkot* in Hebrew. We are commanded to live in temporary dwellings for seven days, such as tents, cabins, travel trailers, etc. You may have heard the Feast of Tabernacles called by other names too, such as "Feast of Booths."

You can make the Feast of Tabernacles a wonderful time, and a lot of it is about mental attitude. If you remain positive, oftentimes those around you will respond positively too. Try to serve others at the feast. You can offer to help clean up or prepare fellowship meals. There is always something that you can do! In addition, try to pay attention during sermons and Bible studies. If possible, take notes too.

Yahweh's Holy Days have special meaning, and great future significance! For instance, the Feast of Tabernacles foreshadows a time of great peace in the Kingdom. Have a blessed fall Holy Day season!
