

KIDS FOR YAH

VOLUME 5, ISSUE 6

June 2011

Make the most out of your summer vacation!

Yes, summer is here and most of you are out of school. You've probably been looking forward to summer for a very long time! No more homework to think about and lots of sunny days ahead. Yes, summer vacation is about having fun, but you can also use your vacation to better yourself.

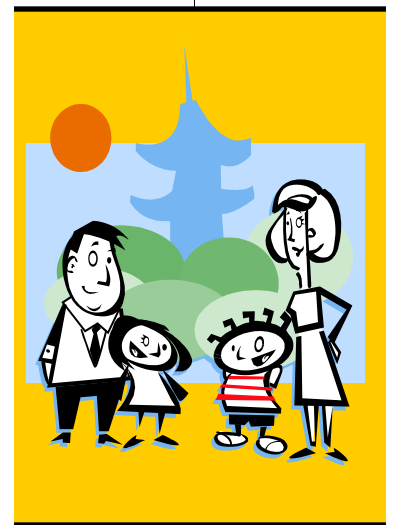

Since long hours of homework will not be a factor, why not spend some time learning more about the Bible. Besides more Bible study, you can also pray more. Try to avoid spending all your time watching television or playing video games.

You've been cooped up so long indoors during winter, why not step out and enjoy the outdoors. Being outdoors is healthy and enjoyable and also can give you an appreciation for Yahweh's creation. You can also choose to do good during this summer and be a light to the world. For instance, ask your parents if there is anything you can do to help around the yard. Maybe they even know of elderly neighbors that you can help too! Most of all serve Yahweh in everything you do. Have a very blessed summer!
