The Fall Holy Days

It's a little early, but Yahweh's people everywhere are starting to get excited about keeping the Fall Holy Days! These very special Days include the Feast of Trumpets, Day of Atonement, the Feast of Tabernacles, and the Last Great day. Soon we will be travelling to the Feast site and staying in cabins or tents for 8 days! Now that you're back in school, you're probably looking forward to taking some time off to keep the Holy Days.

The Holy Days are very special to Yahweh and each one has very significant meaning. Indeed, many people believe that Yahshua Messiah might return on the day of Trumpets, so it is important that we keep Yahweh's appointed times in mind so we can prepare for the future.

You might be worrying about falling behind on your schoolwork because of all the Holy days you will need to take off. Many parents talk to their child's teacher ahead of time. Some teachers will let you take your homework with you when you go to the Feast of Tabernacles. You can do a little each day, except on the High days, and you will be caught up by the time you return to school. Be determined to work hard and you should be fine. This will also set a good example to your teachers and they will be proud of you for making the effort. Have a great Fall Holy Day season!
